## Notes

1. These fees do not include:
  - CASA Medical
  - ASIC
  - Navigation Equipment
2. Please note that this course is competency based. Students are required to demonstrate they meet specific competencies as outlined by the Civil Aviation Safety Authority (CASA) throughout the course. Students who are unable to meet the required competency will require additional training. Any additional training is not covered in the above total course cost and must be paid at the completion of each additional lesson.
3. For more information about VET Student Loans refer to the VSL Student Information Booklet located [here](#).
4. Due to changes in the cost of aviation fuel, aircraft hire, instructor rates and other operating costs, the total course cost may change. This change may occur at any time throughout your course.
